of Audit and Investigation, and to take corrective and preventative measures to address weaknesses and vulnerabilities;

10. *Requests* UNDP to continue to work—preventively and correctively to address recommendations of, and issues raised by, the Office of Audit and Investigations;

11. *Notes with concern* that, with regard to investigations, the most common complaints refer to financial irregularities including procurement fraud, misrepresentation, entitlement fraud, theft and embezzlement, and the high number of complaints from high-risk environments, and encourages UNDP management to address these issues as a matter of high priority;

12. *Expresses* continuing support for strengthening the internal audit and investigation functions of UNDP;

With regard to UNFPA:

13. *Takes note* of the report of the Office of Audit and Investigation Services on UNFPA internal audit and investigation activities in 2018 (DP/FPA/2019/6), the opinion, based on the scope of work undertaken, on the adequacy and effectiveness of the UNFPA framework of governance, risk management and control (DP/FPA/2019/6/Add.1), the annual report of the UNFPA Oversight Advisory Committee (DP/FPA/2019/6/Add.2), and the management response (DP/FPA/2019/CRP.6) thereto and to the present report;

Update on implementation of General Assembly resolution 72/279 of 31 May 2018 on the repositioning of the United Nations development system in the context of the quadrennial comprehensive policy review of operational activities for development of the United Nations system

The Executive Board

1. *Welcomes* the updates provided by UNDP, UNFPA and UNOPS on the implementation of General Assembly resolution 72/279 of 31 May 2018 on repositioning of the United Nations development system in the context of the quadrennial comprehensive policy review of operational activities for development of the United Nations system;

2. *Requests* UNDP, UNFPA and UNOPS to work towards adequately sequencing entity-specific country programme documents so that the individual programmes derive directly from the new United Nations Development Assistance Framework (now renamed United Nations Sustainable Development Cooperation Framework), which is to be prepared and finalized in full consultation and agreement with national Governments and is the most important planning document of the United Nations development system at the country level; and requests UNDP, UNFPA and UNOPS to provide an update at the next session of the Executive Board on adjustments required;

3. *Requests* UNDP, UNFPA and UNOPS to provide, for information at the next session of the Executive Board, a detailed mapping of their regional assets and capacities, in accordance with General Assembly resolution 72/279 and mindful of ongoing discussions on the revamping of the regional approach of the United Nations development system;

4. *Welcomes* the preliminary updates provided by UNDP, UNFPA and UNOPS on efficiencies, including through shared business operations and premises; calls upon the executive heads of UNOPS, UNFPA and UNDP to continue to take action to ensure full achievement of efficiency gains and their redeployment in line with relevant existing mandates, including from General Assembly resolutions 71/243 of 21 December 2016 on the quadrennial comprehensive policy review of operational activities for development of the United Nations system and 72/279 on repositioning of the United Nations development system, as well as to take into account the applicable recommendations of the Joint Inspection Unit in the report on opportunities to improve efficiency and effectiveness in administrative support services by enhancing inter-agency cooperation (JIU/REP/2018/5);

5. *Requests* regular updates to the Executive Board on efficiency gains and their redeployments, through existing reporting mechanisms;

6. *Requests* UNDP, UNFPA and UNOPS to continue to support the efforts of the Secretary-General to develop a tracking system to monitor efficiency gains;
7. *Notes* the cost-saving measures UNDP has had to undertake to maintain a balanced budget while providing financial support to the reforms, and requests UNDP to ensure that these measures do not negatively affect its capacities to provide adequate development support to programme countries;
8. *Welcomes* that UNDP, UNFPA and UNOPS contributed their doubled contributions to the resident coordinator cost-sharing, and calls on UNDP, UNFPA and UNOPS to implement the 1 per cent levy, as applicable, as per the operational guidance for implementing the coordination levy (12 March 2019) issued by the United Nations Development Coordination Office;
9. *Recalls* [decisions](#) 2018/16, 2018/18 and 2018/20 and notes that the agency-administered option for collecting the coordination levy adds administrative tasks to UNDP, UNFPA and UNOPS and requires adjustments to agency administrative processes, and requests UNDP, UNFPA and UNOPS to provide information on the adjustments and to promptly report to the Executive Board on any additional transaction and administrative costs associated with the administration of the levy, within existing reporting;
10. *Recalls* the importance of funding predictability and urges Member States in a position to do so to prioritize regular resources and multi-year pledges, given that further reductions in regular resources risk jeopardizing the ability of UNDP and UNFPA to achieve planned strategic results;
11. *Encourages* UNDP and UNFPA, in collaboration with UN-Women and UNICEF, to place special emphasis on the implementation of their respective Strategic Plans, including the common chapter on joint programming, in accordance with their respective mandates and comparative and collaborative advantages, and to report at the annual session in 2020, including through the midterm reviews of their respective Strategic Plans, where and how the inter-agency process among the United Nations funds and programmes has led to greater efficiencies and effectiveness.

9. *Affirms* the need to elect the Bureau members early on to minimize leadership gaps and enhance the efficient functioning of the Presidency and Executive Board at large;

10. *Recommends* that for continuity and smooth transition between outgoing and incoming Bureaux, whenever appropriate and consistent with the relevant rules of procedure, regional groups could consider taking appropriate measures so that one of the Vice-Chairs/Vice-Presidents of the bureau can take on the Chair/Presidency and could be effective in that capacity in the following year;

18. *Affirms* the participation of diverse stakeholders in Executive Board sessions with full respect of the relevant clauses in the rules of procedure and based on the agreement of the Executive Board, recalls decision 2018/22, paragraph 11, and reaffirms the importance of giving due consideration to gender parity in the composition of panellists participating in the Executive Boards;
19. *Requests* the Bureau to decide the destination of field visits two years in advance, while allowing the flexibility to change host countries if circumstances dictated, in order to give host countries as well as agencies as much time as possible to prepare for the visits;
20. *Requests* the Bureau, assisted by the secretariat, to consult with the Bureaux of the Executive Boards of UNICEF, UN-Women and WFP, to coordinate for the selection of field visits and to propose harmonized criteria for individual field visits, for evaluation by the Board at the first regular session 2020;
21. *Requests* the secretariats of UNDP, UNFPA and UNOPS to circulate proposed draft decisions to the wider membership at least four weeks prior to each session, at the discretion of the Bureau, and reiterates its strong encouragement to Member States to provide their comments on draft decisions, to the extent possible, prior to the start of the session, with a view to starting substantive consultations on the draft decisions on the first day of negotiations, without pre-empting bringing in additional proposals during negotiations;
