Annual review of the financial situation, 2018

Report of the Administrator

Detailed information relating to the annual review of the financial situation, 2018

Summary

The present addendum provides detailed information on the financial performance and financial position of UNDP regular resources and other resources. The data presented are in agreement with the figures reflected in document DP/2019/26.

The financial information in the addendum is prepared in accordance with International Public Sector Accounting Standards. The comparative amounts for 2017 are provided in the tables to facilitate comparison of financial information.

In accordance with Executive Board decision 98/2, the report provides information on the amount, origin and destination of other resources. It also provides, in accordance with Governing Council decision 84/9, information on the net flow of contributions to and payments from the UNDP system in respect of each participating Government.

In addition, comprehensive information has been provided on the income and cost of services of management services agreements.

The Executive Board may wish to take note of the present addendum.
