

# VOCATIONAL AND BUSINESS SKILLS TRAINING AND SUPPORT PROJECT (PHASE II)

Last Updated: April 2024

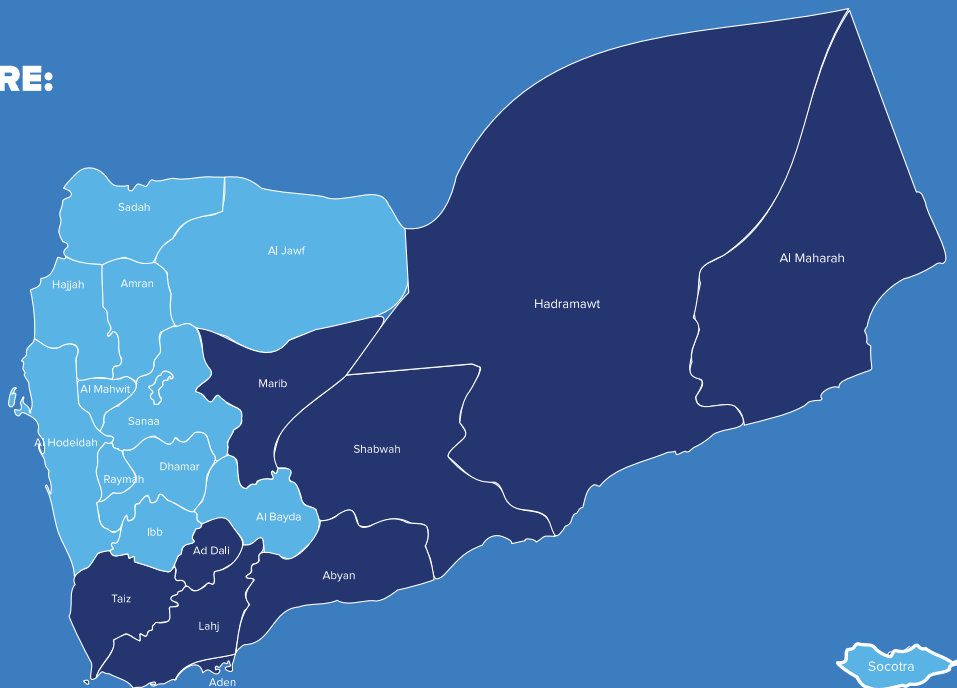

## PROJECT INFORMATION

The Vocational and Business Skills Training and Support project (Phase II) aims to empower young women and men in rural areas with vocational, technical and business skills, and nurture an entrepreneurship culture to enhance their employability and productive engagement in economic and local recovery activities. This project is funded by the King Salman Humanitarian Aid and Relief Centre (KSrelief).
