Esigodini College receives livestock

Local By Jerssie Mpofo | Apr. 26, 2024

ESIGODINI Agricultural College received a huge boost on Tuesday when it received 54 goats, four boreholes, 11 dairy cows

centre equipment for use in its curriculum.

ESIGODINI Agricultural College received a huge boost on Tuesday when it received 54 goats, four boreholes and feed analysis centre equipment for use in its curriculum.

The only agricultural college in Matabeleland South and North received the livestock and equipment from the Water and Rural Development Programme (UNDP) in partnership with the government.

Lands, Agriculture, Fisheries, Water and Rural Development secretary, Obert Jiri said the donation will help :

“With water and technology as an enabler, this college has the potential to become the best agricultural col

UNPD resident representative Ayodele Odusola said UNDP is working with the government to implement a platforms.

“We aim to achieve national climate policy and agriculturally full system transformations,” he said.
